Music

Damon Foreman and Blue Funk / 6-7:30 PM

Damon Foreman in Blue Funk has been delighting audiences since the early 90's. Damon has performed throughout the world with many high profile artists including Ashford and Simpson, Freda Payne, Mary Wilson, George Clinton and Wynton Marsalis. Damon has performed worldwide at the Paris Jazz Festival, Montreux Jazz Festival, Montreal Jazz Festival, Newport Jazz Festival and many others. Locally this group has performed at the Kennedy Center, Lincoln Theatre, Corcoran Gallery of Art, Baltimore Gallery of Art, The Visionary Museum, Camden Yards, The Maryland Science Center, and various area restaurants including Jordan's Steakhouse in Ellicott City.

Damon has released 6 CD's as a leader; the latest is "Looking Back" Due out in early July. Locally Damon is a Howie Award winner and a respected educator as well as a member of the Chamber of Commerce. Damon loves to make it funky and keep it that way.

The Deanna Bogart Band / 8-9:30 PM

Down Beat magazine describes Deanna Bogart as "an extravagant entertainer"-- and entertain is what Bogart does best. The Maryland-based blues and boogie pianist / saxophonist combines the energy of 1930's style boogie piano blues with contemporary blues sounds emanating from places like New Orleans, Chicago and Memphis. "The goal when we play live," says Bogart, "is to create a fusion of all these different musical styles with the blues and boogie genuinely at the core."

Bogart has appeared on stage with the likes of BB King, Brian Setzer, Buddy Guy, James Brown, Doctor John, They Might Be Giants, Spyro Gyra, Ray Charles, Bela Fleck and the Flecktones, and the Neville Brothers. The recipient of no less than 20 Washington Area Music Awards--the "Wammies"--her most recent album, *Timing is Everything*, helped garner her five awards in one year, including Best Blues Vocalist, Best Group, Songwriter of the Year, Song of the Year, and Musician of the Year.

Blues Revue gushed that "A big part of what makes Deanna Bogart such a delight is her vivacious, charismatic live show. Whether displaying dazzling technical skills at the keyboard or playing soulful tenor sax, the ensemble sound Bogart and her band is skintight."
